

## General rules

1. Don't be a dick
2. Don't do anything illegal
3. The burden of proof is on the participants
4. Challenges must be entirely completed during the event
5. Anyone caught cheating can be disqualified and banned from future events
6. If you have any questions don't be afraid to ask me
7. Try to have fun

## Items

1. Find the Item
2. Take picture of a teammate with item or bring item to me
3. Pictures need to clearly show teammate and the item
4. Post picture in the discord "item-submissions" text channel with a short description including team name and item number

## Construction

1. Build the Item
2. Take picture or video if needed of a teammate with item or bring item to me
  - a. Constructions 1, 13, and 22 can just be submitted directly without a picture or video with teammate
3. Pictures or video need to clearly show teammate and the item
4. Post picture or video in the discord "construction-submissions" text channel with a short description including team name and construction number

## Tasks

1. Have a teammate complete the task
2. Submit enough proof of completion in the discord "task-submissions" text channel with a short description including team name and task number
  - a. Task 2 is completed by setting up a meeting with me so don't worry about other teams knowing your plans
  - b. Task 28 is completed by participating in the day 2: FAQ and does not need a submission
3. Some Tasks will have some guidelines in the submission guideline page on the website to help with submissions and will be updated during the FAQ

## Competitions

1. All competitions can be re entered as scores will be public
2. Guidelines for each competition will be updated on the submission guideline page right after the FAQ. This may include a more detailed explanation on scoring for that Competition.
